

ACTIVANT **BUSINESS** PRODUCTS

Activant: Your Single Source for Business Products

Forms and toner. Cables and compact discs. Are you ordering business products like these from several vendors? Did your supplier just ship a “new line” of low-quality forms that jam your printer?

As your technology partner, Activant works hard to deliver the solutions you need to manage your business. It's only natural that we complete our service by offering high-quality, compatible business products and supplies. Activant Business Products can be your single source for high-quality business products *guaranteed* to be compatible with your Activant system.

You're One Call Away From Convenience

No other business products vendor can offer a toll-free connection to knowledgeable representatives who know your hardware, software and your business inside and out. We'll recommend supplies from a comprehensive line of products we trust—from custom forms to power generators. Our buying power means you get competitive prices on the highest quality products.

Service From Concept to Completion

We offer free design services so your custom checks and forms project the professional image you deserve. When you add a logo or tagline to your business forms, you build invaluable name recognition that brings new business. Activant's unique, 100% guarantee means that you can return printed forms for replacement if they don't meet your expectations. Our goal is satisfied clients and long-term business relationships.

Managing office products and supplies is a time-consuming task; let Activant Business Products deliver what you need so you can concentrate on what you do best.
